A man can be short and dumpy and getting bald but if he has fire, women will like him.

An ounce of performance is worth pounds of promises.

Anything worth doing is worth doing slowly.

Between two evils, I always pick the one I never tried before.

Give a man a free hand and he'll run it all over you.

Good sex is like good bridge. If you don't have a good partner, you'd better have a good hand.

He who hesitates is a damned fool.

He's the kind of man a woman would have to marry to get rid of.

I generally avoid temptation unless I can't resist it.

I like restraint, if it doesn't go too far.

Love conquers all things except poverty and toothache.

I only like two kinds of men, domestic and imported.

I used to be Snow White, but I drifted.

A HARD MAN IS GOOD TO FIND.

I wrote the story myself. It's about a girl who lost her reputation and never missed it.

I'll try anything once, twice if I like it, three times to make sure.

If I asked for a cup of coffee, someone would search for the double meaning.

It ain't no sin if you crack a few laws now and then, just so long as you don't break any.

It is better to be looked over than over-looked.

It's hard to be funny when you have to be clean.

It's not the men in my life that count, it's the life in my men.

It's not what I do, but the way I do it. It's not what I say, but the way I say it.

Keep a diary, and someday it'll keep you.

Marriage is a great institution, but I'm not ready for an institution.

One and one is two, and two and two is four, and five will get you ten if you know how to work it.

Save a boyfriend for a rainy day - and another, in case it doesn't rain.

When I'm good, I'm very good. But when I'm bad I'm better.

Say what you want about long dresses, but they cover a multitude of shins.

A man in love is incomplete until he has married. Then he's finished.

Conrad Hilton was very generous to me in the divorce settlement. He gave me 5000 Gideon Bibles.

How many husbands have I had? You mean apart from my own?

Husbands are like fires - they go out when unattended.

I call everyone 'Darling' because I can't remember their names.

I know nothing about sex, because I was always married.

You never really know a man until you have divorced him.

A diplomat is a man who always remembers a woman's birthday but never her age.

A girl must marry for love, and keep on marrying until she finds it.

Getting divorced just because you don't love a man is almost as silly as getting married just because you do.

My ideal world is where all the women are married and all the men are bachelors.

I love the intellectual type, they know everything and suspect nothing.

If I would believe what I read about myself, I would hate my guts too.

To a smart girl men are no problem - they're the answer.

I have flabby thighs, but fortunately my stomach covers them.

I have no methods; all I do is accept people as they are.

I knew I was an unwanted baby when I saw that my bath toys were a toaster and a radio.

I told my mother-in-law that my house was her house, and she said, "Get the hell off my property."

I wish I had a twin, so I could know what I'd look like without plastic surgery.

If God wanted us to bend over he'd put diamonds on the floor.

She doesn't understand the concept of Roman numerals. She thought we just fought in world war eleven.

Is Elizabeth Taylor fat? Her favorite food is seconds.

It's so long since I've had sex I've forgotten who ties up who.

My best birth control now is just to leave the lights on.

My mother could make anybody feel guilty - she used to get letters of apology from people she didn't even know.

My obstetrician was so dumb that when I gave birth he forgot to cut the cord. For a year that kid followed me everywhere. It was like having a dog on a leash.

My routines come out of total unhappiness. My audiences are my group therapy.

Never floss with a stranger.

Once you begin to believe there is help "out there," you will know it to be true.

Our natures are a lot like oil, mix us with anything else, and we strive to swim on top.

Thank God we're living in a country where the sky's the limit, the stores are open late and you can shop in bed thanks to television.

The first time I see a jogger smiling, I'll consider it.

The ideal beauty is a fugitive which is never found.

There is not one female comic who was beautiful as a little girl.
