

A man with a poodle walks into a bar, orders a drink and asks for a pack of Camels.

The bartender told the man he was sorry, but they had just run out of cigarettes.

"Don't worry 'bout it" reassured the man "I'll just send my dog across the street for some."

Going through his pockets, the man realized he only had a \$50 note.

"Pack of Camels, Rover" he said slipping the money into the dogs mouth "And I want to see plenty of change". The dog trotted off out the door.

"The dog is something else" said an admiring customer "Is he really going to bring you back a pack of cigarettes?"

"You bet. My dog can do anything."

But then his list of his poodles exploits was interrupted by the screech of tyres outside the bar.

Turning pale the dogs owner ran outside and to his relief saw his dog had not been hit.

The reason for the cars sudden stop was very clear though.

Right in the middle of the road his poodle was h*mping another dog.

"What's going on?" shouted the man running up to his dog. "You never did anything like this before!!"

A big grin on his face, tongue hanging out and h*mping away the dog looked up and said "I've never had fifty bucks before"

A woman goes into a drug store and asks the pharmacist about Viagra. "Does it really work?" she asks.

"Yes, it does," responds the pharmacist. "I've tried it myself."

"Can you get it over-the-counter?"

"If I take two, I can," he replies.

Living!

It's a beautiful, warm spring morning and a married couple decides to spend the day at the zoo.

She's wearing a cute, loose-fit see through dress with thin straps.

The Zoo is extremely busy on this particular morning.

As they pass past the ape exhibit, they pass in front of a very large hairy gorilla.

Noticing the girl the gorilla goes nuts.

He jumps up on the bars and grunts and pounds his chest with his fists.

He is obviously excited at the lady in the wavy see through dress.

The husband noticing the excitement thinks this is very funny.

He Suggests that his wife tease the gorilla some more.

The husband suggests She blow him a kiss, wiggle her bottom at him, and play along.

She does and Mr Gorilla gets even more excited, making noises that would wake the dead.

Then the husband suggests she let one of her straps fall and show him a little more skin.

She does and Mr. Gorilla almost tears the bars down with excitement.

"Now try lifting your dress up and sort of wave it at him" he says.

This drives Mr. Gorilla absolutely crazy and he starts doing flips in his cage.

The husband suddenly nabs his wife by the hair, opens the cage door, slings her in with the gorilla and slams the cage door shut !!!

He stands back watching and shouts.. "Now, tell HIM you have a headache!"

A priest offered a lift to a Nun.

She got in and crossed her legs, forcing her gown to reveal a leg. The priest nearly had an accident.

After controlling the car, he stealthily slid his hand up her leg.

The nun said, "Father, remember Psalm 129?" The priest removed his hand.

But, changing gears, he let his hand slide up her leg again.

The nun once again said, "Father, remember Psalm 129?"

The priest apologized "Sorry sister but the flesh is weak."

Arriving at the convent, the nun went on her way.

On his arrival at the church, the priest rushed to look up Psalm 129.

It said, "Go forth and seek, further up, you will find glory."

Moral of the story: If you are not well informed in your job, you might miss a great opportunity.

A nerd went out hunting.

He had all the posh gear, the jacket, the boots and the double-bar-reled shotgun.

As he was climbing over a fence, he dropped the gun and it went off, right on his penis... Ambulance case!

When he woke up from surgery, he found that the doctor had done a marvelous job repairing it.

As he got ready to go home, the doctor gave him a business card.

"This is my brothers card. I'll make an appointment for you to see him."

The guy says "Is your brother a doctor?"

"No." Doc replies, "he plays the flute. He'll show you where to put your fingers so you don't pee in your eye."

A farmer goes out one day and buys a brand new stud rooster for his chicken coop.

So the new rooster struts over to the old rooster and says,"Ok, old fart, time to retire."

The old rooster replies, "Come on, you can't handle ALL these chickens, look what it's done to me. Can't you just let me have the two old hens over in the corner?"

The young rooster says,"Scram! Beat it! You're washed up and I'm taking over."

The old rooster says, "I'll tell you what, young stud, I'll race you around the farmhouse. Whoever wins gets exclusive domain over the entire chicken coop."

The young rooster laughs, "You know you don't stand a chance old man, so just to be fair, I'll give you a head start."

So, they get a chicken to cluck "Go!", and the old rooster takes off running.

About 15 seconds later the young rooster takes off after him.

They round the front of the farmhouse and the young rooster has closed the gap

He's already about 5 inches behind the old rooster and gaining fast.

The farmer, meanwhile, is sitting on the front porch when he sees the roosters running by.

He grabs up his shotgun and BOOM!, he blows the young rooster to bits.

The farmer sadly shakes his head, "Dang it,.....third gay rooster I bought this month."
